*Please fill out as much information as possible to support your estimated value. To determine the January 2024 value, the sale comparables should be from year 2021, 2022 and 2023. Assessments are based on valid sales, not invalid such as foreclosure, bank or short sales. Sales must be located in the township. The best comparable for a sales and/or equity argument is to pick from within your subdivision/neighborhood and same style or model, if possible.*
